my REMODEL STORY

Bringing a design vision to life requires a deep understanding of a homeowner's goals and what is possible within a space.

Whether the desire is to add style and flare to that forgotten powder room or update an older kitchen, the home remodeling process is a tapestry of storytelling, and just like any good story, each remodel is unique.

ProSource Wholesale® trade pro members bring life to the ideas of their homeowner clients. These stories highlight the skills, passion, and creativity that take homeowners and trade professionals from dreams to done.

Planning a remodel or new build? ProSource Wholesale is the partner you are looking for to make it a success. Contact or visit your local showroom.
